**S. F. O'FALLON,**  
ATTORNEY AT LAW.  
Office in the Moore Building.

—You want to be sure and read J. Watson & Co's ad, and price-list, this week. They are cutting everything.  
—Mr. J. B. Smith, of Forest City, a first class harness maker, has moved to our little city and is going in with our wide-awake buggy and wagon dealer, H. C. Schmidt, in the harness business.  
—Dr. C. L. Holloway is occupying Dr. Godin's old office over T. S. Hinde's drug store. His residence is in the Kallenbach property, one block north of the Krees store. Calls answered at all hours, day or night.  
—McKinley carried Lincoln, Nebraska, Bryan's home by 1019 plurality. Bryan failed to carry his own ward and precinct. Cleveland carried McKinley's ward by 115 in 1892, while Mr. McKinley carried it by 213 in 1896.  
—The Bluff City league club re-organized last Friday evening by electing the following officers for the ensuing year: W. R. Walker, president; Earl Cooper, vice president; Phillip Schlotzauer, secretary; W. W. Scott, treasurer.  
—Advices from industrial centers in many states show a marked and general improvement in mill and factory as a result of McKinley's election. In California extensive railway building has begun, while in Pennsylvania iron and steel mills are being operated to their full capacity, and extensive additions or desired made to plants, so as to be enabled to fill increased orders. In the New England states, woolen and cotton mills are starting up, with their full complement of operative, and the hum of machinery makes music for master and man.  
—The Chrysanthemum show, this week, beginning on Thursday, is a success with a big S, and the ladies are to be congratulated on their untiring efforts to make it so. The circuit court room, where the show is being held, is a perfect bower of flowers, and oh, but it is beautiful. You will miss the best thing ever held in Oregon if you fail to attend. An admission fee of 10 cents will be charged for grown people and 5 cents for children. The proceeds will be turned over to the library fund of the public school. Friday and Saturday will be the best days. Be sure and attend.  
—It is rumored in political circles by those who are close to the Sachem of Buzzard's Bay, that the work of weeding out the Demolist postmasters and other officials in Kansas, Nebraska and Missouri, will soon begin. It is said that the head of Pension Agent Glick in the first to be put upon the block, followed by U. S. Marshal Neely. Postmaster Patch, of Wichita, stands a very good chance of losing his job, and a host of postmasters in smaller towns, among which will be a few in Holt county, who are said to have been not only offensively partisan, but grossly insulted the administration during the campaign just closed.
